Croatia is one of the most popular yachting destinations with many beautiful regions, historic towns, islands, and small villages.

A fully functional & elegant yacht

Yacht Riva was built by ship craftsmen with a long tradition. Upgraded with the latest technology, she offers a comfortable sailing voyage. She features 18 beautiful cabins with ensuite bathrooms and can fit up to 36 guests. Her crew of 11 tends to all the guests' needs and wishes at all times.

The exterior

All decks are covered with Burmese teak, giving the yacht a touch of luxury. Across the sundeck, there are 30 teak deckchairs, a jacuzzi, and a gym. All decks and staircases feature led lighting and are equipped with Bose speakers. The whole yacht is under video surveillance, ensuring maximum safety for everyone.

The Interior

The state-of-the-art ensuite cabins have a temperature self-regulation system, so no matter the weather, you will feel comfortable at all times. The bathrooms with Marazzi ceramic tiles and Grohe fixtures will give you a feeling that you are in a luxury hotel suite instead of a yacht. Another amazing feature is the smart lock system, allowing the locking and unlocking of the cabin doors with the simple use of a magnetic card. There is also Wi-Fi thorough the whole yacht, in case you need to do some work or want to surf the internet.

Activities onboard

Riva is also packed with a variety of fun water toys and a Highfield patrol 540 – Honda HP 50 tender. You and your group can choose between waterskis, a Ringo ride, 2 paddleboards, and 2 kayaks. An exciting adventure on the crystal clear Adriatic sea awaits you.

Special features

To ensure a quiet and comfortable yachting experience, Riva has one of the best thermal and sound insulation systems. The wireless microphone for the salon and decks is compatible with all positions on board, ensuring seamless communication.

The crew

All crew members on Riva are highly qualified, with years of nautical and hospitality experience. The owner Marin has many years of managerial experience, captain Dino comes with several years of experience sailing on mini cruisers, and the chef has previously worked on mega yachts and mini cruisers. Their knowledge of local traditions and stories, combined with their friendly personality make them the perfect choice to explore Dalmatia.
